Dear Dave:

October 22, 1998

This letter is our authorization for the Commerce Department to release all documents and other information about SolarAttic, without restriction, to any inquiring individual or media source. As I mentioned in our phone conversation, SolarAttic does not consider any of its communications with the Department Of Commerce to be a private matter. It is our desire to make this information available to the public or to any interested party without any restriction.

Specifically, please release all information to our state Representative Bruce Anderson; and, any other state representative or state senator that may request this information.

I will follow-up our phone conversation with a written letter further discussing our situation. This will take a few days. Thank you for taking the time to listen to SolarAttic's side.

Sincerely yours,
